George Regional Health System Sponsors Elementary Band Program

Teacher Megan Pierce is heading up the new elementary band program for the George County Elementary Schools. Greg Havard, CEO, presents a \$2,000 sponsorship check to help purchase much needed band equipment for the program.

Pictured left to right are Kiley Hughes, Assistant Superintendent of Education, Megan Pierce, and Greg Havard.

6th Annual Hippity Hop for Your Heart 5K!

Despite the threat of severe weather, our 6th Annual Heart Walk completed without a drop of rain. We had 95 contestants cross the finish line. Thanks to everyone who came out for the Heart Walk Saturday and/or purchased a shirt in support! All of the pictures are up on the GRHS Facebook page, so go check them out.

Our George Regional Health & Rehab nursing home residents celebrated Valentine's Day in style!

Congratulations
King-James Cooley and
Queen- Joan Jordan.

Beth Cochran Earns Wound Care Certification

Beth Cochran, RN, WCC, recently completed a Wound Certification class sponsored by the MS HIIN program at the Mississippi Hospital Association headquarters.

She completed four days of intense classroom training and a certification test and she now has the title of a Wound Care Certified Nurse.

Congratulations Beth!

National Volunteer Week April 15-21

Volunteers are the **HEART** of our Team!

Appreciation Letter to Greene County Hospital

I pray this letter finds you and the hospital doing well. We lost my mother's husband while in the ER recently. I wanted to let you know about the EXCELLENT service that was provided, not only to Jim, but to our family as well.

From the time the ambulance team arrived to the moment we left the hospital, we were treated with the utmost care, consideration, and concern from the entire staff.

Please let this awesome group of employees that were working that night know how very much we appreciate everything. If I knew who they all were, I would personally tell them how much we appreciate them, but I thought the best praise I could give them would be to let you know what a fantastic staff you had on duty that night.
