

News for George Regional Health System Employees

Employee of the Month: Andria Dees

March 2018

Andria is the staffing coordinator and has been part of the GRHS family for almost eight years.

"I have witnessed Andria on multiple occasions going above and beyond for internal and external customers when she certainly didn't have to. She will not stop until she finds a solution to almost any dilemma that she is presented."

Andria is described as resourceful, compassionate and attentive.

Well-baby Waiting Area Now Available at Community Medical Center

We now have a waiting area dedicated just for our pediatric patients visiting for vaccinations and well-baby visits. The space is designed to keep our healthy children away from those who are sick. Located just off the check-in area, the waiting room also features a door directly into the pediatric hallway.

Greene County Hospital January Employee of the Year: Gus Yeager

Gus Yeager has been an X-ray and CT Tech at Greene County Hospital for ten years and has not missed a shift. Employees nominating him said he is always willing to help out other staff when needed. He has excellent patient skills, is courteous, and very dependable. He's always upbeat and happy. One employee described him as a true gentleman.

"He is our 'comic relief' person even when Ole Miss is not having a good season. I'm grateful to have Gus as a part of our team."

Wiggins Primary Care Welcomes Crystal Stafford

Crystal is a Family Nurse Practitioner and is welcoming new patients. She's available for appointments Monday, Tuesday, Wednesday, & Fridays from 8:00 a.m. until 5:00 p.m.

Heart Walk
Saturday, March 17th / 8:30 a.m.

Thank you to Our Heart Walk Sponsors!

Be sure and say 'thank you' to our Heart Walk sponsors and let them know how much we appreciate their support.

Employee Praise!

“Dr. Henderson is my primary doctor and is wonderful, but yesterday I was a walk in. I saw Ms. Deedy Cain, nurse practitioner, and she was so compassionate and caring. If Dr. Henderson is unavailable, I know who my back up is!”

“Our family is thankful for Dr. Pinkerton and his staff as well as everyone in Labor and Delivery. From Dr. Pinkerton down to the sweet ladies in dietary-- the employees at George Regional were all such a blessing while I was at the hospital. ”

March is Colorectal Cancer Awareness Month

Colorectal cancer is the third most common cancer in the United States and the second leading cause of death from cancer. Colorectal cancer affects people in all racial and ethnic groups and is most often found in people age 50 and older.

The good news? If everyone age 50 and older were screened regularly, 6 out of 10 deaths from colorectal cancer could be prevented. Communities, health professionals, and families can work together to encourage people to get screened.
