George Regional Hospital Welcomes Triplets!

May 2018

On Tuesday, April 24, 2018, George Regional Hospital marked a new milestone with the delivery of triplets. Bobbyjoe and Amber Cadle delivered two baby girls and a baby boy. Loetta Olivia Lynn Cadle made her appearance at 5:36 p.m. weighing 4lbs. 1 oz and measuring 17 ¾ inches; Hunter Wyatt Cadle was born at 5:37 p.m. weighing 3 lbs. 12 oz and measuring 17 ½ inches; and Breahna Faye Cadle was born at 5:38 p.m. weighing 3 lbs. 5 oz and measuring 15 inches.

Congratulations to Dr. Pinkerton, the Labor & Delivery Team, and all of the GRH departments and staff members who came together! To date, there have been 1,493 deliveries at the hospital.

Volunteers are the **HEART** of our Team!

Employee of the Month: Laura Cowart

Laura is a nurse in the Emergency Department and has been a part of the GRHS family for almost 5 years. Laura was nominated twice.

"She is always super concerned with the patients well being and takes great pride in her work. Multiple patients have told me that they received excellent care from her. She is always there to help someone, even if it's not her department."

"Laura constantly demonstrates confidence in her medical skills and easily assists those around her. The ER is consistently and adequately stocked and organized in the most efficient manner. Laura is by far one of the hardest workers in the health system and her critical thinking outside the box is greatly appreciated."

Thank You to Our Doctors! Our physicians were treated to a special luncheon in honor of National Doctors' Day.

Welcome Dr. Reese Lindsey

Dr. Reese Lindsey joins our staff as the Emergency Department Medical Director. Originally from Cleveland, MS, he feels right at home in South Mississippi. "My hometown of Cleveland is a small, rural area, so I love it here," Lindsey explains.

Dr. Lindsey and his wife have three daughters (7, 10, and 17). Dr. Lindsey is Board Certified in Family Medicine and brings more than 19 years of medical expertise to our community.

Relay for Life 2018

Relay for Life was held in conjunction with the "Second Saturday" event on Main Street this year. The weather forced us to move the event to Sunday, but participation was still high. Thanks to everyone who volunteered for GRHS!

GRHS Raises Almost \$5,000 for 6th Annual Heart Walk

This year's 6th Annual Hippity Hop for Your Heart 5K Fun Run raised almost \$5,000 for the American Heart Association.
